

THE STUDY CIRCLE FOR DEVELOPMENT ISSUES / SKOV /  **KLV** WAGENINGEN ALUMNI NETWORK

with the kind cooperation of the student club Nji Sri and the study association Ipso Facto,
Dear members and friends,
please save this date:

Friday 23 June 2017 from 13:30 till 17:00 h. in Wageningen a Seminar on

RAIN FED AGRICULTURE - a risky business

With

- Prof. Ruerd Ruben, chairperson and lecturer in Workshops I en II (socioeconomic measures to narrow the Yield Gap)
- Prof. Martin van Ittersum, lecturer in Workshop I (How to narrow the Yield Gap in SSA?)
- Prof. Ken Giller, lecturer in Workshop II (soil resources in SSA and their potential)
- Dr. Ir. Peter Droogers, director Future Water Wageningen, lecturer in Workshop II (water resources in SSA and their potential)
- Dr. Ir. Kees de Bie, associate professor ITC, University of Twente (Crop Insurance to enable the access to credit for small farmers)

The purpose of the seminar is to give an idea about the natural resources in SSA and their potential to possibly decrease the yield gap.

Details of the programme will follow soon.

Best regards

Marijke Huydts for SKOV
